

Erika Rice

Set Decorator

I'm a new SDSA member running for the SDSA board. Born and raised in Ohio, I started my career twenty years ago. I'm currently based in Los Angeles. I'm passionate about set decorating and consider our creative art form essential to story telling on screen. I've recently discovered my new hobby....to help curate the Calendar portion of the SDSA website.

I understand SDSA is a member run labor of love and as a board member I would respectfully give my services to this very valuable institution.

I would be honored to have your vote in the upcoming board election.

Thank you for your consideration. It's nice to meet you!

Erika Rice
