Set Decorator

Hi All!

I am passionate about our community and believe that I have the experience and dedication to make a positive impact as a member of the SDSA Board.

Through my work as a Set Decorator, I have developed strong leadership and communication skills as well as being an excellent listener and am committed to working collaboratively with others to achieve common goals. I am confident that these skills would be invaluable in serving on the SDSA Board.

In these uncertain times, it is more important than ever to have a strong and supportive community. I am committed to working with other members of the SDSA to create a community where everyone feels welcome and valued.
