

Dear Members of the Set Decoration Society of America,

I am thrilled to announce my candidacy for the position of SDSA Board Member representing the Canadian region.

With a deep passion for the art of Set Decoration and a commitment to enhancing the craft, my experience in this role over the past term has reinforced my dedication to the SDSA's mission.

If re-elected for another term, I will leverage the progress we've achieved together and maintain our focus on several areas:

Celebrating Canadian Talent: Canada has incredible talent, and I will keep pushing to get our Canadian Decorators the recognition they deserve.

Skill Building and Learning: I'm a big believer in lifelong learning. Let's keep creating opportunities for our Decorators to grow and develop.

Connections and Teamwork: Our work is all about collaboration. I will keep encouraging connections, both here in Canada and abroad, to keep the creative juices flowing and knowledge spreading.

Being Our Voice: I will persist in representing Canadian Decorators with dedication, ensuring that your concerns remain at the forefront of my priorities.

Expanding Memberships: Let's continue to grow our SDSA Canadian community! More members will enhance our visibility and provide greater resources for everyone's benefit.

I am dedicated to collaborating and working together to improve our industry. I appreciate the chance to seek re-election, and I eagerly anticipate continuing this journey with all of you.

Thank you for considering me.

Sincerely,

Sandy Walker
Canadian Set Decorator
