

Selina van den Brink, Set Decorator IATSE, SDSA

Greetings esteemed SDSA Members,

I am honored to be nominated to sit on the board of the SDSA representing the Southeastern United States. I have been a Set Decorator in New Orleans for over a decade and worked in New York for a decade before that (as well as on location around the country). I love our industry and everything about Set Decorating.

I look forward if elected, to organizing more members in my region and creating a broader, stronger network of decorators around the country. I also have been active in teaching outreach previously and have a lot of ideas of how to partner with local Universities and High Schools with film programs to broaden the understanding of our craft.

Lastly, I can't even begin to say what an honor it would be to serve on the board and get to know all of you who's work I have admired and coveted for so many years.

Thank you for your consideration.

Cheers,

Selina M van den Brink
