

Stephanie Feinerman

SDSA Associate Member since 2016

I'm grateful and honored to have been nominated to serve on our SDSA Board. For the past two years I've served as a Board Alternate and would love to continue as a Board Member for the next cycle.

During those two years I helped modernize our membership applications and database management, and helped Gene optimize the wifi in his office to something that finally works! I've also greatly appreciated being a part of our monthly zoom meetings; hearing everyone's stories has helped us all stay connected in trying times. Despite our collective hardship, the SDSA is still striving to promote our craft with a robust new website, fantastic interviews and behind the scenes. I'm proud of the work we've done on the Board to aid this.

Our members are examples of the highest standard in the field, and I would be honored to serve our collective interests in inspiring the next generation.

Thank you for your consideration!
