

Whitney Rosenson

It has been a privilege to support the SDSA as a business member for the past nineteen years.

Throughout this time, I have been involved in advancing the organization's mission, serving both as a Board alternate and an active member of the Community Outreach Committee. In my current role as Co-Chair of the COC, I have helped with the planning and execution of the annual silent art auctions, a vital source of funding for the SDSA scholarship program.

These experiences have strengthened my understanding of the SDSA's values, goals, and the important role it plays in our community. I bring continuity, commitment, and also energy, creativity, and a collaborative spirit. I am eager to continue building on this foundation and contribute fresh perspective and leadership as a Board member for the 2026–2028 term.

The SDSA is a truly exceptional community, and I would be honored to help shape its future by serving once again on its Board.
