"I'd like to thank most importantly my lead man extraordinaire, Jerry DeTitta and his great crew, my assistants Susan Kaufman SDSA and Lisa Kent, my coordinator and right hand Stephanie Abbaspour, my set dec assistant and left hand Tara Guckeen. Filmmaking is truly a team effort. I am lucky to work with such great and talented people."

"Winning the Emmy, going to the Governors Ball with my husband and sharing this accomplishment with my family and friends has been one of the best experiences of my life. I am still on cloud 9!"

The award for Outstanding Production Design For a Narrative Program (Half Hour Or Less) went to the design and decor team of HBO series *SILICON VALLEY*.
