### In A Few Words...

#### Which talent would you most like to have?

I always wanted to be a part of a circus troop and perform death-defying tricks, although being a set decorator has always felt a little like that anyhow.

#### What do you consider your greatest achievement?

Apart from my two amazing daughters, I think my greatest achievement has been reviving a huge community of artists and craftspeople who came together to furnish middle earth in amazing detail for *THE HOBBIT*.

#### Which word or phrase do you most overuse?

Choice!

(A very out dated Kiwi colloquial term meaning "That's ace!")

#### What do you look for on the Craft Services table?

Entertaining conversation

#### Please name a benefit of being an SDSA member.

It's so great to be a part of a community of like-minded creatives. It feels like the sharing of ideas helps create new ones, this makes the art of Set Decoration a rich and enjoyable part of the film making process.
