SDSA DECORATOR SPOTLIGHT

In A Few Words...

Which talent would you most like to have?

Mind reading
To speak and understand every language in the world

What do you consider your greatest achievement?

I hope my greatest achievement is still to come. However rebuilding my house and garage would be one great achievement.

I wish I had made more room for all of my research and art books but that could be my next greatest achievement.

Which word or phrase do you most overuse?

"Sorry", "I'll be right there", "Ok" and "That's great"

What do you look for on the Craft Services table?

The water dispenser with fresh cucumber and fruit in it, plain yogurt and fresh fruit

Please name a benefit of being an SDSA member.

The camaraderie amongst other set decorators, associate members and vendors. The SDSA events are a great way to get to know other set decorators or vendors in a more relaxing venue, and then when you have a work question or need possible favors, you already know that person.
