WILLOWDEAN

Proprietors Maxwell and Nicole Britton relocated from Los Angeles to Atlanta in 2013. Veterans of the film industry, they opened the doors of Willowdean in late 2013 to meet the needs of the burgeoning Atlanta film industry, and promptly joined SDSA.

Willowdean is a contemporary cleared art rental and sales gallery representing a handful of both established and emerging artists; they are ever-expanding and adding new artists to their collection.

Willowdean is happy to accommodate the needs and desires of Decorators and Designers. Commission requests are welcome as well as sizing, stretching, scanning, and shipping subtleties.

Eloquence

At ELOQUENCE, we find our inspiration in old-world European interiors. We travel all over Europe, scouring flea markets, warehouses, and antique fairs for inspired one-of-a-kind pieces which we directly import to our 20,000 sq. ft. Culver City warehouse. We have curated an eclectic mix of pieces ranging from "old world glamour" to faded aristocracy, specializing in French, Gustavian, Italianate and other European styles. We receive container shipments of authentic antique & vintage items every 6-8 weeks, and our inventory is always changing and growing.

We have a wide selection of furniture, architectural elements, dramatic mirrors, dripping crystal chandeliers and lighting, as well as accessories and miscellaneous pieces, all available for both rental and purchase. We have an energetic team happy to assist you in finding the perfect piece for your production, and can expedite orders to meet your scheduling requirements.

Lighting by

City Knickerbocker, Inc.

City Knickerbocker Inc.

Founded in 1906 by Russian immigrant Adolph Liroff, "City Knick", as we are affectionately called, has remained family owned and operated for over a century!

We offer lighting from a wide variety of the world's top lighting manufacturers, maintain a vast inventory and have the ability to supply or replicate pieces from any period. Our prices are competitive whether for sale or rental.

We have created props for everyone from the *Milton Berle* and *Ed Sullivan* shows, to today's daytime operas, nighttime dramas and comedies, and for 25+ years have done the lighting for every *SATURDAY NIGHT LIVE* show. We count Oscar-winning feature films and Tony-winning theatrical productions among our clients as well.

We are proud of our reputation and prouder still of our relationships with our customers. In an impersonal era, personal relationships remain one of the pleasures of this family-owned and operated business. While we no longer transport lamps in burlap bags, we still treat every customer like a neighbor - and a friend. If you are ever in the neighborhood, we hope you will drop by and say hello!

SDSA DECORATOR SPOTLIGHT

In A Few Words...

Which talent would you most like to have?

To be honest, the talent that I would most like to have, I do - Art and

Tom Early

Credits include:

Disneyland -- Entertainment Art
Department Consulting Art
Director

ABC After School Special
THE FOURTH MAN

Feature Film
TIPPERARY

NBC
DAYS OF OUR LIVES
Art Director/Set Decorator
1991 - Present

Music. I enjoy both very much, both in creating and experiencing. Never am I happier than when I'm painting or drawing to music I love. I do wish I had more of an Architecture background, it's important when decorating a set to understand the rules of the real world. I've managed to educate myself somewhat, but there is nothing better than solid knowledge.

What do you consider your greatest achievement?

Well, it would have to be being on the same show for 23 years. In that time, we have been nominated 6 times for Daytime Emmys (one win, in 1997). Beyond that, there is a bond I have with the people I work with, many of whom I've been side by side with all these years. We strive everyday to create the best show possible. Always a challenge as we typically shoot 7.5 hour long episodes in 5 days.

Which word or phrase do you most overuse?

"I love it- it looks great-let's move on."

What do you look for on the Craft Services table?

Our show does not have a Craft Services table.

Please name a benefit of being an SDSA member.

I would have to say the *camaraderie*. It's just great to be in a room full of Set Decorators. We all share the same joys and frustrations, and are all rooting for each other. It's made me proud of what I do.
