In a few words...

Which talent would you most like to have?

I would like to be an accomplished painter and to be able to sing like a rock star. They're about equal on my list. :)

What do you consider your greatest achievement?

Wow. That's a good question. One of the greatest times in my life was having my daughter born and winning an Emmy all within three months of each other. I was really, really tired and really, really happy!

Which word or phrase do you most overuse?

Definitely "awesome". And I tend to use "swell" a lot. It's a word that needs to come back into vogue.

What do you look for on the Craft Services table?

I'm definitely a "savory" girl - anything with a lot of salt and flavor.

Please name a benefit of being an SDSA member.
