In a few words...

What is your current state of mind?

A thousand points of light... lot's of exciting things going on right now. I am honored to be settling into my new position as the Set Decorator Governor for the Designers Branch of the Academy of Motion Picture Arts and Sciences.

Which talent would you most like to have?

I wish I could paint and draw better, and I've always wanted to learn how to weld (in an artistic way--not to build structures).

What do you consider your greatest achievement?

I am fortunate to be a working Set Decorator and to have contributed to some projects that I am quite proud of.

What is your most treasured possession?

My little family, my dogs, my home.

Which word or phrase do you most overuse?

"Just sayin'....."

<p>Syriana</p> <p>Good Night, and Good Luck (Oscar® Nomination)</p> <p>Anchorman: The Legend of Ron Burgundy</p> <p>Training Day</p> <p>The Flintstones in Viva Las Vegas</p>	<p>What so you look for on the Craft Services table? Dark chocolate</p> <p>What is your motto? Oh dear.....not sure I've ever had one of those.</p> <p>Please name a benefit of being and SDSA member. I know that there are many more colleagues and Business Members who have become close friends than I ever would have had without the SDSA. We have nurtured a comfortable atmosphere to build relationships that will last beyond our careers.</p>
