Detail obsessive with a passion for colour & texture and the ability to create sets that feel alive. Excels at collaborating with all departments. Member of the British Film Designers Guild (BFDG) & BAFTA.

Graduate in Design from Goldsmiths College with an excellent knowledge of design history and strong design skills; including 3D design, graphics, visual research/referencing, mood-boards and a background in prop-making.

Previously employed as a freelance Visual Merchandiser and prop house manager with an additional background of over ten years spent sourcing / selling antiques in the UK and Europe. Any free time is spent travelling, collecting reference books & creating woven textiles.

KEY SKILLS:

- Image research & referencing, combined with the ability to create visually strong and informative mood-boards
- Excellent network of antiques, salvage and vintage sources across the UK & Europe – having worked in the antiques industry for over ten years; both in an auction house and as a runner/dealer
- Experienced at sourcing using the London prop houses, in addition to having been previously employed by both Stockyard North & Red Bank Props
- Worked in locations across the UK, France & Belgium with additional experience of sourcing in Poland, Germany, Portugal & Italy
- Background in textiles & prop-making, strongly aiding the collaborative process, and enhanced by knowledge gained as a practicing designer/maker
